AGREEMENT FOR PARTICIPATION AS A NAPIER FELLOW

The Napier Initiative is more than a financial awards program. The Napier Initiative is a relational program which links students with Pilgrim Place elders whose lifetime of experience in social justice work has an affinity with the student's proposed project. The relationships which develop over the year can be life affirming and long lasting. The Napier Initiative has established a set of expectations for a Napier Fellow.

I understand that in applying to the Napier Initiative, I am agreeing to fully embrace the mentoring experience and to participate in all aspects of the program. This includes:
